### Organisation Context of Position

City of Newcastle (CN) employs over 900 staff and is responsible for a local government area of 187km<sup>2</sup>. Newcastle has a population of 148,000 and is the business and cultural centre of the Hunter region, home to over 620,000 people. In the heart of the Hunter Region, CN has a variety of locations across the City and encompasses five groups who lead the vision to be a Smart Sustainable City through a Smart Organisation that puts people first.

These include:

- Governance
- Strategy and Engagement
- City Wide Services
- Infrastructure and Property
- People & Culture

The purpose of the Governance Directorate is to provide legal compliance and advice to inform evidence-based decision making throughout and across CN including:

- Legal compliance, good governance and ethical decision making
- The Directorate is primarily internal facing to effect regulatory and compliance advice across and on behalf of CN through internal services to all service units.
- The Directorate will also have direct community contact through the Regulatory, Planning & Assessment functions and customer/Councillor requests for information and advice.
- The direct customer is CN through good governance across the organisation however, service provision must also be maintained to relevant external agencies.
- Ensure cross functional working relationships, connections and collaboration to achieve 'whole of organisation' objectives.

The Service Units and Elements that form the Governance Directorate are:

- Finance
- Legal
- Regulatory, Planning & Assessment
- Transport, Traffic and Compliance

The purpose of the Regulatory, Planning & Assessment (RPA) Service Unit is to ensure compliance to legislative requirements and provide advice to inform evidence-based decision making throughout and across CN.

Workplace Health & Safety	
WHS RAA Level	Level 6
For specific WHS Responsibilities, Authorities & Accountabilities applicable to this position, the position holder will refer to the WHS Responsibilities, Authorities & Accountabilities matrix in the WH&S Management System. The person accepting the position will be required to sign off that they have received and understood their WHS Responsibilities, Authorities & Accountabilities.	

## Overview

The RPA Service Unit has significant direct community and stakeholder engagement through land use planning, development assessment and regulatory functions.
