ORGANISATIONAL INFORMATION

OUR VISION AND FOCUS	ROLE CONTEXT
<p>We believe children, young people and families should be safe, thriving and hopeful.</p> <p>Our Vision for 2022: Together we will courageously change lives and reimagine service systems.</p> <p>For over 140 years, Berry street has adapted to a changing world, and we will continue to adapt to achieve our purpose.</p> <p>Berry Street will continue to be a strong and independent voice for the children, young people and families with whom we work. In collaboration with others, we will advocate for investment in early intervention and prevention services that enable families to be safe and stay together. We will use approaches that are culturally safe and informed by the best evidence available. We will measure and learn from the impact of our work, and we will continually contemporise our models of practice.</p> <p>We look forward to working with children, young people, families, carers, staff and partners to achieve this vision. Together.</p>	<p>Take Two is an intensive therapeutic service for infants, children and young people who have suffered trauma, neglect and disrupted attachment. It provides high quality therapeutic services for families, as well as contributing to the service system that provides care, support and protection for these children. Take Two is a Victoria-wide service funded by the Department of Health and Human Services, auspiced by Berry Street, and is also involved in partnership with other community service agencies to provide services to therapeutic foster care, Aboriginal therapeutic home-based care, therapeutic residential care and the Stronger Families service.</p> <p>Take Two is a flagship site of the Child Trauma Academy implementing the Model of Neurosequential Therapeutics to guide intervention planning</p> <p>The Restoring Childhood Model (RCM) sits within the Take Two service and is part of a wider consortium of services that have been newly funded by the Victorian Government to provide therapeutic services to victim survivors experiencing or recovering from family violence. The Restoring Childhood team primarily provides therapeutic services to infants, children, young people and their families who have been impacted by family violence. Therapeutic services are also offered to adult victim survivors of family violence. The Restoring Childhood Team utilise the Safe & Together™ family violence practice model, which focuses on family safety, stability, nurturance and healing from trauma.</p> <p>Restoring Childhood provides a stepped-care model of therapeutic assessment and intervention, aiming to prevent the development or reduce the impact of psychological disorders as a result of children and young people experiencing family violence.</p> <p>In the Mallee Area, the Mallee Sexual Assault Unit Inc. Mallee Domestic Violence Services (MSAU-MDVS) is the lead agency charged with delivering therapeutic family violence services through the RCM to victim survivors experiencing or recovering from family violence. The consortia partners are Berry Street, Mallee Family Care, Mallee District Aboriginal Services and Mallee Accommodation and Support Program.</p>
<h3>OUR VALUES</h3>	
<p>Berry Street expects all staff to apply these Values in all aspects of their work.</p> <p>Courage: to never give up, maintain hope and advocate for a ‘fair go’</p> <p>Integrity: to be true to our word</p> <p>Respect: to acknowledge each person’s culture, traditions, identity, rights, needs and aspirations</p> <p>Accountability: to constantly look at how we can improve, using knowledge and experience of what works, and ensure that all our resources and assets are used in the best possible way</p> <p>Working Together: to work with our clients, each other and our colleagues to share knowledge, ideas, resources and skills</p>	

PRIMARY OBJECTIVES OF THE ROLE

The primary objectives of the role are to:

- Provide high quality trauma and violence therapeutic services to infants, children, young people and their families and adults at each stage of the stepped care model.
- To work cooperatively with both internal and external stakeholders, providers concerning the child development, mental health and well-being needs of infants, children and other mothers affected by violence.
- To support the evaluation of the model
- Conduct assessments and develop therapeutic treatment plans for clients as required. Working with care teams to achieve the goals within the specified time frame.

REPORTING RELATINSHIPS

This role is located in the MSAU-MDVS offices in Swan Hill or Mildura and is part of the broader Take Two Team.

This role reports to the Senior Clinician – Restoring Childhood & Take Two - who will provide supervision and review and comply with MSAU-MDVS office and organisational protocols.

EXPECTATIONS

- Conduct oneself in accordance with the Berry Street Code of Conduct which is underpinned by the values of accountability, courage, integrity, respect and working together.
- Have a demonstrated understanding of and commitment to the principles of equity, diversity, continual improvement, risk management and occupational health and safety.
- Berry Street is committed to the safety, participation and empowerment of all children, including those with a disability and culturally and/or linguistically diverse backgrounds. Berry Street is also committed to cultural safety, inclusion and empowerment of Aboriginal children, their families and communities.

KEY SELECTION CRITERIA: KNOWLEDGE, SKILLS AND ABILITIES REQUIRED TO FULFIL THE ROLE

- Demonstrated ability to provide direct service in the clinical assessment and treatment of children, young people and families; and to comply with service delivery towards output and outcomes requirement (please refer to expectations under assessment and treatment).
- An understanding of the complexity of the service system and the issues involved in providing services to statutory and non-statutory clients, with the ability to work in a complicated environment that can potentially challenge and frustrate individual values and viewpoints.
- Demonstrated expertise of developmental trauma and the impact of family violence and trauma upon infants, children and parenting, and child-parent relationships
- Demonstrated ability to provide direct service in the clinical assessment and treatment of infants, children, young people and families; including experience specifically in providing dyadic and group clinical interventions for children and parents together, and to comply with service delivery towards output and outcomes requirements
- Demonstrated knowledge of the Safe & Together™ Model of practice
- Ability to provide secondary consultation and advice to non-clinical staff, including parents, health, education and statutory services
- Demonstrated commitment to working collaboratively and the capacity to negotiate and liaise with other agencies and the community, including CSOs, statutory and justice services
- Demonstrated understanding of, and respect for, the needs of children with a disability; Aboriginal culture, including cultural safety and awareness; and cultural and linguistic diversity (CALD), including cultural safety for children from CALD backgrounds
- Demonstrated understanding of and commitment to the principles of equity, diversity, continual improvement, risk management and occupational health and safety.
- Excellent written and oral communication skills (including public speaking, presentations and facilitation skills).
- Demonstrated ability to flexibly manage competing priorities and stressful situations, monitoring own stress levels and practicing and promoting self-care strategies.

QUALIFICATIONS AND OTHER REQUIREMENTS

- An appropriate Bachelor degree level or higher qualification in a Health or Welfare related field such as Occupational Therapy, Psychology, Social Work, Family Therapy, Speech Pathology or related discipline.
- Experience in working from a feminist framework in the family violence domain.
- Experience in using family violence risk assessments.
- Please note: The scope of this position does not require the incumbent to practice as a registered psychologist, occupational therapist or other AHPRA registered profession and, as such, discipline specific registration is not a requirement. If the incumbent wishes to maintain registration it is at the incumbent's discretion and will not impact on the scope of this role.
- Staff must hold a valid WWCC, current drivers licence at all times and undergo a Criminal Records Check prior to employment. Subsequently, staff must report any criminal charges or court matters.
- Experience conducting clinical work with children, preferably being trauma informed.

DESIRABLE

- An understanding of the Child and Family Services sector and an understanding of the Children, Youth and Families Act 2006 and Family Violence Protection Act 2008
- An understanding of the issues involved in working with families with diverse needs - i.e. CALD or disability (physical, sensory, intellectual or psychiatric)
- Training (e.g.EMDR) or experience in working with vulnerable children, adults and families, individually and in group work
