Important Information

Use our on-line application system to apply for this position. This can be accessed through the Jobs at Council section of Council's website www.esc.nsw.gov.au

Claims against the selection criteria

This is the most important part of the application:

- Only applicants who address the selection criteria will be considered for the position.
- The job description outlines the duties of the role and describes the selection criteria that your application will be checked against. It is recommended that you include examples where you can.
- Selection for interview is based on the responses you make to these criteria.
- The selection criteria are mandatory fields in the online application system and you will be required to provide a response to these criteria as part of the application process.

Prepare your resume (or CV)

- Prepare or update your resume (or CV) including your personal details, education and training, any relevant licences or certificates, employment history and contact details for at least two referees.
- Save your resume as a Microsoft word document or a PDF document, so it is ready for you to attach to your online application.
- Your resume should include a description of your skills, knowledge, personal qualities, experience and how they relate to the position.

Upload your resume, complete all sections of the online process and press submit to lodge your application.

Confidential referee checking will be carried out to verify the information provided in your application and at the interview. We will not contact any of your nominated referees without seeking your permission first.

For further information on how to make a great application don't hesitate to contact the Councils recruitment team on (02) 4474 1016.

Position Description

Plant Operator/Labourer

Position Code	195
Division	Works
Location	Narooma Depot
Band/Level	Operational Band 1 Level 3

Council values

The Eurobodalla Shire Council is guided by organisational values of collaboration, respect, team spirit, professionalism and openness and trust. These values contribute to the organisation's strategic direction and assist with decision making.

Our values represent 'the way we do things' and underpin the range of professional relationships we have with others in our day-to-day work. By reflecting and upholding our values throughout the organisation, we can make a positive difference for our community and our colleagues.

We are proud to be an equal employment opportunity employer. We have a strong commitment to enhancing equality of employment opportunities for all people, including those from diverse and minority backgrounds.

Our values		We are collaborative	We ask for and share ideas, insights and knowledge. We find strength and reward in working together.
		We are respectful	We show respect and compassion to each other and our community. When there are issues, we go to the source.
		We show team spirit	We nurture and value our relationships, bringing out the best in each other.
		We are professional	We act with integrity, take pride in our work and always think first of our community. We aim for excellence in all that we do.
		We are open and trusting	We are upfront and sincere and trust our colleagues to respect our honesty and vulnerability. We look for the best in people and expect that in return.

Primary purpose of the position

To competently operate mobile items of plant and attachments and assist Works Supervisor and Assistant Works Supervisors to realise a safe and well organised project/ activity.

Main duties and key result areas (KRA)

1. Proficiently operate within capabilities and maintain to manufacturers specifications various items of plant and attachments as required.
KRA: Plant items are appropriate to tasks and used to complete works to agreed standard, within capabilities and maintained to manufacturers specs. Operation is competent and safe with plant item defects requiring workshop repair identified and reported. Well-developed knowledge of plant outputs and uses is demonstrated.
2. Assist in the preparation and completion of a work project for construction works or maintenance activity in area of responsibility.
KRA: Work well planned to allow for a safe, well-organized allocation and use of resources including plant, materials, sub-contractors and service providers. Agreed level of service is achieved. Programmed works are carried out as scheduled. Individual project documentation is accurate and timely.
3. Support other staff, contractors, and sub-contractors involved in construction and maintenance projects. Actively partake in work team performance reviews.
KRA: Project outcomes meet quality, safety and environmental obligations. Worker is keenly involved in achieving a willing work team culture. Positive communication is maintained with staff, contractors, public and others. All parties work constructively to achieve project outcomes in accordance with Council Policy and Procedures. Involved in regular team review, to promote service delivery improvement, remedy non-conformance and identify staff training opportunities.
4. Actively undertake physical labouring and other related construction or maintenance manual activities.
KRA: Tasks carried out safely using correct tools, equipment and other resources. Tasks are completed in a safe, timely manner to an acceptable industry standard with minimal guidance.
5. Assist in providing customer service with the public in relation to construction and maintenance project elements you are involved in.
KRA: Positive communications with all parties is maintained. Eurobodalla Shire Council customer service reputation is maintained or enhanced.

6. Actively participate in the continuous improvement of Council's construction and maintenance activities.

KRA: Workplace underperformance and inconsistencies are reported to supervisor. Suggestions for workplace performance improvement provided to supervisor. Improvements to focus on safety, performance reporting, productivity gains, quality and value for money aspects related to Council's construction and maintenance activities.

7. Follow EEO and diversity principles and practices.

KRA: Work practices are compliant with EEO and diversity policies and procedures.

8. Maintain own health and safety and that of other people at the workplace or those who may be affected by the work being carried out.

KRA: Council's WHS Policy and procedures complied with.

Qualifications/Experience (Selection Criteria)

Essential

1. Demonstrated skills and experience in the operation of various items of plant likely to be used in the position, eg trucks, rollers, ride on mowers, tractors and small plant.
2. Demonstrated commitment and involvement in a willing work team to achieve work program obligations.
3. Demonstrated relevant experience in the construction and maintenance work environment.
4. Required understanding and experience in plant capabilities and outputs, used in Council's construction and maintenance area.
5. Willingness and ability to successfully undertake physical labouring tasks associated with Council's maintenance and construction activities.
6. Relevant Certificate III level qualifications or willingness and ability to obtain.
7. Willingness to successfully complete recognised training opportunities.
8. Elementary oral and written workplace communication skills.
9. Elementary literacy and numeracy skills.
10. Willingness and ability to follow EEO and diversity principles and practices.
11. Knowledge of, or the ability to quickly gain knowledge of, Council's WHS Policy and procedures.

Desirable

1. Certificate IV in position related work discipline.

Licence requirements

The following is the list of licence requirements for this role:

Mandatory licences required prior to commencement

1. Minimum requirement Class LR licence.
2. WorkCover WHS Induction Construction (white card) certificate (or willingness and ability to obtain prior to commencement).
