

Program Management Coordinator

POSITION PROFILE

Division	INFRASTRUCTURE	Status	Full time, permanent
Unit	Project Delivery	Salary Grade	Grade 11
Reports to	Manager Project Delivery	Reviewed	October 2020

STRATEGIC INTENT

- To coordinate the delivery of Council's annual capital projects program for Transport, Parks & Open Space, Water and Buildings infrastructure.
- Developing processes, tools, templates and systems to provide for effective monitoring measurement and reporting of the delivery of capital projects within the relevant programs of Council's Capital Budget each year.
- Contributing to the development, implementation and management the Project Management Framework for the Shire Infrastructure Directorate.
- Reviewing the efficiency and effectiveness of council's current process(es) for delivery of the capital works program and develop recommendations and a program for implementation for addressing the shortcomings identified.

POSITION PURPOSE

The introduction of a Program Management Coordinator role is to provide a centralised coordination, monitoring and measurement for the effective delivery of capital projects from Councils Delivery Plan and Operational Plan (DP/OP). The role is a business partnership role for the Shire Infrastructure Directorate embedded in the Project Delivery team.

The Program Management Coordinator will report directly to the Manager Project Delivery and be responsible for supervising the Business Support team. The Program Management Coordinator and their team will facilitate creation of relevant, timely, and accurate data management and reporting for the Infrastructure Delivery Committee (IDC) and sub-program delivery meetings for Transport, Water and Non-Infrastructure, Parks and Open Space and Buildings.
